

COMPANY PROFILE

A nighttime photograph of a cityscape in Bahrain. The most prominent feature is the Bahrain World Trade Center, a tall, slender tower with a unique, sail-like structure, illuminated with blue and white lights. To its left, there are several other modern buildings, some with red and white vertical stripes. The city lights are reflected in a body of water in the foreground. A white geometric shape, resembling a stylized arrow or a speech bubble, is overlaid on the left side of the image, pointing towards the text.

“We have become one of the largest Real Estate services companies in Bahrain with...”

A nighttime photograph of a city skyline reflected in water. The most prominent feature is a tall, slender skyscraper on the left, illuminated with blue lights. Other buildings of varying heights and styles are visible in the background, some with warm yellow lights. The sky is a deep blue, and the water in the foreground shows clear reflections of the city lights.

ASK Real Estate has entered into a partnership with REVO, the real estate and development advisory firm. This dynamic union, viewed by industry experts as a game-changer for Bahrain's real estate sector, is set to create a new paradigm in the Kingdom's business market.

TENANT MIX

We use the market intelligence information to verify the aspirations and positioning of the development. We provide the unique selling propositions of the development to arrive at positioning and desired tenant mix along with the anchors, size and orientation hence, arriving at a merchandising plan.

LEASING SERVICES

We provide leasing services based on the tenant mix that defines the retailers that are targeted locally, regionally and internationally.

We assist in drafting the offers and lease documents - which governs the relationship between the landlord and tenant - and establish the lease approval process.

POP-UP DEVELOPMENT

We create lifestyle concepts for smaller plots to generate value. Pop up can also solve problem of unused spaces in existing assets.

While creating the value, we get involved in each of the stages; pre concept, mood board presentation, international concept design, research, leasing, project management, marketing and preopening.

Once finalised, we will coordinate with the designer and develop team to make sure that the design are matching the expectation of the pre concept.

DEVELOPMENT REGENERATION

We provide the brand identity and image for the development, as well as the strategic marketing plans and tactical execution.

We equally develop your own entertainment concepts customized to add value to your development.

While there are many vacant or underutilized developments that lack vision, ASK understands what it takes to create that vision.

We possess the knowledge, experience and tenacity to overcome a mountain of obstacles to make that vision a reality.

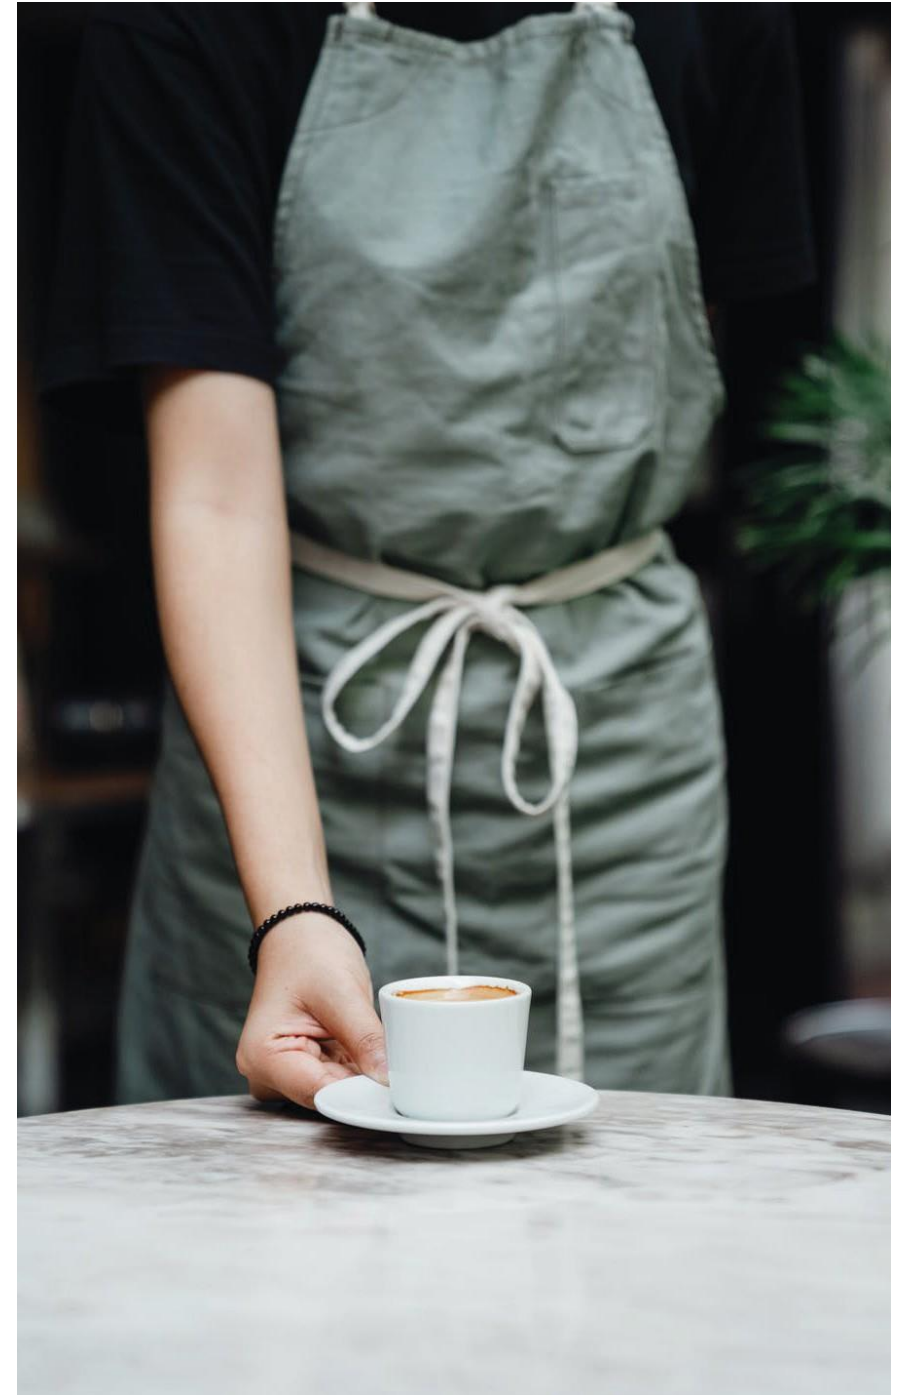

We regenerate your development with creative design and experiences to meet new customer demands.

■ HOSPITALITY SERVICES

We provide exceptional experiences and innovative hospitality management solutions to our clients. Along with our independent executive advisors, we are committed to customizing approach and strategy based on each development's characteristics to ensure maximum results.

■ REAL ESTATE CONSULTANCY
