Harbour Heights spans over an area of land in downtown Bahrain and is within close proximity to leisure, business, and transportation centers in the Kingdom of Bahrain. The Project transcends beyond the physical luxury of the buildings to create a unique lifestyle, unprecedented on the island.

WHERE HIGH FLYERS
come to take off

BAHRAIN FINANCIAL HARBOUR

Bahrain Financial Harbour is in the heart of Manama, the capital of Bahrain. A masterplan where the world meets to work and play. A perfect location that combines residential, leisure, hospitality, public spaces, commercial activities and perfect access. A vibrant 24 hour business community like no other.

An aerial photograph showing a vast colony of seabirds, likely terns, nesting on a flat, light-colored area adjacent to a harbor. The harbor water is a deep blue, and the sky is filled with scattered white clouds. A large, dark blue geometric shape, resembling a triangle, is overlaid on the left side of the image. On the right side, there is a dark grey area with a repeating pattern of small, light-colored vertical bars.

HARBOUR HEIGHTS SKY VILLAS

AN ELEVATED EXPERIENCE

Harbour Heights Sky Villas is a floating haven above the world onto which you create an exclusive retreat. Located six-storey up, each luxury residence offers spectacular, unobstructed views of the blue sea and the lit Bahraini skyline.

Each villa name was inspired from the opulent elements of the Harbour Heights buildings; Cielo for the scenic views of the sky; Sol for the sun that warms the soul; Onda for the serene waves and Arena for the soft sand that flows within the sea.

The Sky Villas offers a spectrum of spacious, gracious living options, private terraces with superb views of the promenade and a roof-top swimming pool. Available in 3 & 4 bedroom configurations, each Villas will also feature their own elevator tower for security and convenience.
