

THE HARBOUR ROW

Bahrain
Harbour

DEFINING LANDMARKS,
TRANSFORMING SKYLINES

THE PEARL OF THE GULF

One of the Gulf's most active and memorable pearling city, Bahrain is an ancient land rich in culture and history, what was once called 'The Island of a Million Palm Trees'. A contemporary financial hub, strategically located in the Arabian Gulf on the trading sea route between The Kingdom of Saudi Arabia and Qatar.

Residential visa with property investment

Muti-cultural environment

High rental real estate yields

Low crime rate

GFH PROPERTIES

GFH Properties is a wholly owned subsidiary of GFH Financial Group. With a clear vision to develop high growth, diversified real estate investment, and development portfolio, GFH Properties actively seeks unique opportunities to create landmark projects that transform fortunes and skyline.

THE HARBOUR ROW

A WATERFRONT DREAM LIKE NO OTHER

Aiming to provide a global destination that combines the best of business and leisure, The Harbour Row provides world-class residences for people with the desire to live an urban lifestyle.

With design influences from New York to Dubai, the vision behind the creation of The Harbour Row has always been to create one of the world's great water-side developments.

A NEW VIBRANT HUB

Mixing superlative residential & retail components, The Harbour Row is positioned in Bahrain's most exclusive waterside address.
